# LIGHT & FIT

Overweight dogs benefit from a diet rich in proteins to promote lean muscle mass and satisfy the appetite, yet limited in carbohydrates that contribute to body fat.

That's why ACANA Light & Fit is rich in protein from cage-free chicken and whole eggs from local prairie farms, and wild-caught flounder from North Vancouver Island – all delivered FRESH for unequalled nourishment and taste. Unlike conventional 'light' foods, ACANA Light & Fit is low in carbohydrate and free of high glycemic grains.

Prepared from Canada's best and freshest ingredients in our award-winning kitchens, ACANA is a delicious way to keep your cherished dog healthy and strong.
